

Description

Phedra Horeca is an extremely versatile semi-automatic machine, which ensures high performance in a small space and is perfect for Ho.Re.Ca. applications and small size premises.

Available in two versions, Cappuccino, for fresh milk-based drinks, and Instant, it dispenses up to 8 different products. Can be combined with Astra refrigerator or milk cooler.

Main features

- Saeco Brewing Group with the new pre-heating system Saeco Power Boost for excellent espresso
- Generous container capacity
- Easy cleaning and maintenance thanks to “seagull wings” opening on the door
- Aesthetic and easily customizable U-Profile front: stickers for the front door, silkscreens for the sides
- User-friendly interface with graphic LCD and easy-to-read mechanical buttons
- High-class stainless steel dispensing area
- Energy saving mode

Accessories

- New powder dispensing system Saeco Easy Dry kit
- Kit for predisposition to fit the payment systems on the front
- Memory key to copy and quickly transfer machine settings
- USB key kit for software update
- Eva-Dts kit with serial connection
- Eva-Dts kit with infrared connection
- Feet kit for raising the machine to facilitate cleaning
